

**MAJOR R. COLEMAN  
CONSULTANTS LTD®**

## Capability Statement

**CAGE CODE: 7J9L9 | DUNS #: 079453548**

Major R Coleman Consultants Ltd., is a 100% minority owned business that proactively trains law enforcement and prosecutors how to problem solve the issues confronting them. Our system of training provides students a thorough understanding of each issue they face regardless of how complex it may first appear. Problems solving is taught by presenting each student with life like scenarios that require them to identify each problem prior to taking the correct action to resolve it. Each Scenario is presented as a teaching module that allows group members to identify other possible solutions to a master instructor as well as to their class. Each student will face a scenario containing different teaching points than the last. This collaborative teaching method solidifies the points taught while also developing other alternative solutions to the scenarios. Rule of Law situations are fluid in life, so we must teach solutions that change along with the issues presented. We endeavor to build individual capacity while at the same time teaching students how to pass their ability to competently handle difficult situations to recruits, coworkers and subordinates.

### CORE COMPETENCIES

- Each student will learn the correct legal approach required to handle the issues presented in the case they are faced with. How to correctly identify what actions they took and why in their reports.
- How to include community concerns while proactively patrolling their assigned areas.
- How to package an investigation for presentation to a prosecuting attorney.
- Prosecutorial discretion and how it should be used.
- How to interview child or witnesses with diminished capacities.
- Exercising use of force, the proper amount and which weapons best match the situation.
- Investigating child abuse and domestic violence cases.
- Working with medical and social service experts.

### DIFFERENTIATORS

- Recently retired from the United States Department of Justice where he worked as an Assistant United States Attorney in the Organized Crime Drug Enforcement Task Force. Major also spent seven years managing the training of international law enforcement and prosecuting attorneys while he was a Trial Attorney assigned to the Overseas Prosecutorial Development, Assistance and Training Division (OPDAT).
- During his eight years with the Cook County State's Attorneys Office Major was routinely promoted until reaching one of that organizations most coveted positions of competency: First Chair (lead prosecutor) in the felony trial division.
- Major R Coleman has over 40 years of experience including undercover techniques, investigation, prosecution and other areas within the rule of law field.
- Major R. Coleman possessed one of the highest field security classifications, TS-SCI, when he retired from the United States Government on June 30, 2015.
- Prior to retirement from the Chicago Police Department, Major spent five years as a law instructor in their police academy.
