

Top 10 Reasons You Know You Have More than the Average Number of Cats

"Hey, don't Bogart the grass!"

- 10 When you go to bed you can't find a spot that's not already claimed by your cats.
- 9 Almost every greeting card and gift you get has a cat theme.
- 8 The only peace and quiet you have at mealtime is when you eat out.
- 7 No matter how hard you try to get them off, your clothes always have cat hair.
- 6 Your friends and relatives constantly advise you to downsize your "herd."
- 5 Almost everything you own has been scratched, broken, or peed on (at least once).
- 4 Most of your credit card balances are for veterinary services.
- 3 Most of your friends are cat parents (you can share stories no one else wants to hear).
- 2 Internet ads tailored to your preferences are all for cat products.

And the number 1 reason is...

Your cats are your family—you get more purrs & head butts than anyone you know!
