

COCHRAN MUSIC PRE-SCHOOL FALL ENROLLMENT INFORMATION

Cochran Music Pre-school is currently enrolling students for our fall session. We have planned many activities for the up-coming year, including a Christmas and spring program.

In addition to working on a variety of basic skills such as the alphabet, counting, rhythm band, creative movement, listening skills, and French, students will be introduced to a variety of new songs each month, and given a new song sheet so they can sing their new songs at home.

Our goal at school is to provide children with a positive educational experience. We feel that a child's first exposure to school should be one that is not only educational but one that provides good social skills as well as a great deal of fun.
