The Vision For Innovation Academy, Inc. (VIA)

Annual Report

2014/2015

Board of Directors,

Greg Orpen,
Head of School, IACS

Linda Willis, President

Ann Cottle, Treasurer

Susan Howard, Clerk

Peter Torkildsen, Director

Accomplishments

VIA met January 30, 2014; September 25, 2014; and June 22, 2015. The board held Annual Meetings on March 17, 2014 and March 26, 2015. On January 6, 2014, VIA was granted 501(c)(3) status from the Department Of The Treasury and issued an Employer Identification Number retroactive to February 1, 2013.

The board voted to commit funds available to two focused initiatives of IACS - high school technology and Systems Thinking Training Scholarships. Throughout the year, VIA has pursued and deliberated relationships with UMassLowell, Raytheon and the potential to create "Forrester Fellowships" with revenue raised.

Call To Action

VIA is focused on pursuing and accepting major gifts from corporations, foundations, and grants to commit to IACS school initiatives and priorities. Our board is always looking for suggestions and contacts with corporations and community leaders to advise us.
