

GULF COAST Region Structure Building Workshop

Saturday, Dec. 3, 2016 9:00 – 11:00am

Location: R. B. STEWART MIDDLE

SCHOOL (38505 Tenth Avenue, Zephyrhills, FL 33542)

In Gulf Coast Odyssey we are always working to improve. Structure teams who attend this workshop will learn:

- Tips for choosing balsa wood
- Techniques for weight placement
- How to analyze broken structures in order to improve design
- Pro's and con's of different glues
- What a crusher board looks like and how it works
- Tournament day procedures (in general)

ABSOLUTELY NO DISCUSSION OF THIS YEAR'S STRUCTURE PROBLEM WILL BE ALLOWED.

- > A team can attend with one or more adults.
- > Combine partial teams if possible, but no more than 8 kids to one adult.
- Your reservation is a commitment. If you can't make it, please contact us and cancel. There is a waiting list and another team could use your spot.
- All teams with a reservation will receive a confirmation email with further instructions at least one week prior to the workshop.

This workshop has a <u>LIMIT</u> of 10 teams. Teams are registered on a first come, first serve basis.
