EVENT AGENDA

Raising Kings 365: It's not just an event!

Raising KINGS is a collaborative commitment to elevate healthy images and expectations of Black and Hispanic males by increasing the level of positive male engagement in the lives of boys. This summer we are honored to welcome partner agency Friday is Tie Day (FTD) to Delaware for a powerful weekend of relationship building and service. Founded by UD Alumni Darrell Edmonds, FTD is a college readiness program for boys in his NJ hometown.

One Village Alliance (OVA) men, mentors and ambassadors lead this effort leveraging the community's existing assets to redefine success and model healthy manhood. Our strength-based approach interrupts the generational crisis of failure and creates a counter-culture of fortitude, greatness, cultural awareness and self-respect.
