From The Pastor's Pen

We have many raccoons who eat our cat food and sometimes garbage! To be honest, they do not cause a lot of problems most of the time! Hey, forty years ago, the skunks were the ones eating the cat and dog food! Anyway you look at it, the raccoons are less trouble!

The other morning, I went out to do something in the backyard when three gray and black animals suddenly scattered to the east side of the yard. At least two of them did. The mother and one very young raccoon ran to the gate on that side of the yard and ran through.

That one went to the west side! He found himself (herself?) trapped in the corner of the chain link fence with no way out!

About that time, Lynda came out the back door. The 'trapped' young raccoon began running toward her! She never screamed or ran—she merely watched as something wonderful unfolded! The momma raccoon came running back into the yard to where the baby was and led her back to the house and through the gate at the edge of the carport!

As I watched these critters lead the babies to safety, I wondered, 'How many parents lead their young to the Lord Jesus? How many tell or show their children how to trust Jesus?'

1 Timothy 5:8 states: 'But if any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel.' KJV

1 Timothy 5:8 states: 'If anyone does not provide for his relatives, and especially for his immediate family, he has denied the faith and is worse than an unbeliever.' NIV
