### **A MESSAGE FROM WALK #194**

I praise God for the opportunity he has blessed me with to be part of the Walk to Emmaus. I went on my original walk in August of 2011. When I went on my walk as a pilgrim I was tired of running from God. He was chasing me down and I was ready to give up. I left it all at the cross on Walk 139.

The people that walked beside me during and after the walk showed me what it meant to be the hands and feet of Jesus and what it meant to truly pick up your cross each day and die to yourself, to put God first above and before everything.

To be here serving as the Lay Director 7 years to the month from my original walk is a humbling experience. Anyone who knows me will know that it is only by the power of the Holy Spirit and the help of everyone walking beside me that this walk has happened. I know God has big plans for the men on this walk. I've been praying for them for a long time and I'm so grateful that I get to be part of the process and watch them grow in our three short days together. I pray that the pilgrims on this walk experienced God's grace in a way that stirs them to go home and love all those around them. But, most of all, I pray that this experience is a catalyst to deepening our relationship with the Lord. We all tend to get a little too comfortable in our every day lives and God has a way of using these experiences time and time again to wake us up and challenge us in a new way.

Thank you to the community for serving like Jesus, for putting everyone one else before yourself, and for ensuring that each walk is just as special as the one before it. Thank you for the sacrifices you've made and for being the hands and feet of Christ over these last three days.

DeColores,  
Charlie Goldman

## A MESSAGE FROM WALK #194 SPIRITUAL DIRECTOR

*When I played football in high school, we would always have tPhysical Exams in early August. They would run us through each different examination station in mass almost like cattle. Standing around in large groups would always lead to discussions about how we could cheat or figure out the different tests. We would discover the minimum number of sit ups and push ups we needed to do in order to pass. We knew exactly how to pass the eye exam. They would always ask us to call out the same letters from the exact same row from the eye chart every time. The first person who went would simply memorize that line and pass it along to everyone else waiting. We would always finish the eye exams very quickly in record time saying "D E F P O T E C", before the examiners were even ready.*

*It was someone else's focus and not our own. It is easy to lose our focus and just rely on those around us. In Luke 24:31 it states "Then their eyes were open and they recognized him, (Jesus)..." Cleopas and his companion had walked and talked with Jesus for a great while and then they were able to truly see him. They were focused on all the things that had happened there and not focused on the face Jesus was in their presence.*

*It is a joy and privilege to be a part of an Emmaus Community where so many have discovered their own focus.*

## How do you get connected after a walk/ flight?

Get with your sponsor and serve together.

Sometimes its fun just to show up and ask "Where can I serve?"

There is a schedule to consider to ensure you don't drive when the pilgrims are walking to Dying Moments.

Attend Cluster celebrations...this is a nice way to reconnect with your Brothers and Sisters and see what they like to do the most.

The easiest way is to serve a meal. The schedule is normally included in the reminder email that goes out.

Attend team trainings. This is a great way to meet people that can help guide you at camp.

## WHO CAN ATTEND 3-DAY EVENTS

It is the policy of The Central Alabama Emmaus Community as well as The Upper Room - Emmaus Ministries, that ONLY persons that have completed a 3-Day Weekend (Emmaus, Chrysalis, Cursillo, Tres Dias, etc.) may participate in and attend Send Off, Candlelight, Serenade, and Closing. Additionally, children should not be brought to the events. Families ARE encouraged to attend the follow up dinners held in each cluster after each walk. We thank you for your understanding and cooperation with this.
