

Use of Pupil Premium 2015/ 2016

Report for Governors

Autumn Term 2015 Activities and spending

The Government believes that the Pupil Premium, which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and their wealthier peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most.

In most cases the Pupil Premium is allocated to schools and is clearly identifiable. It is for schools to decide how the Pupil Premium, allocated to schools per FSM pupil, is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility.

Schools are free to spend the Pupil Premium as they see fit. However they will be held accountable for how they have used the additional funding to support pupils from low-income families. New measures will be included in the performance tables that will capture the achievement of those deprived pupils covered by the Pupil Premium. From September 2012, schools will be required to publish online information about how they have used the Premium. This will ensure that parents and others are made fully aware of the attainment of pupils covered by the Premium.

Key facts

- The Pupil Premium is allocated to children from low-income families who are currently known to be eligible for Free School Meals (FSM) in both mainstream and non-mainstream settings and children who have been 'looked after' continuously for more than six months. It is also allocated at a reduced rate to the children of servicemen/women.
- Total funding through the Premium will increase from £625m in 2011-12 to £1.25bn in 2012-13.
- The level of the premium in 2011-12 was £488 per pupil for pupils eligible for free school meals (FSM) and for pupils in care who have been continuously looked after for six months. It was increased to £600 per pupil in 2012-13. It was increased last year to £900m per pupil. This year, 2014, it was increased to £1300 per pupil, £300 per child of Service personnel and £1900 per Child in Care (£600 which is retained by Local Authority for support/administration).
- The Pupil Premium was introduced in April 2011, and paid to local authorities by means of a specific grant based on the January school census figures for pupils registered as eligible for FSM

in reception to Year 11. For looked after children the Pupil Premium was calculated using the Children looked after data returns (SSDA903).

- The Pupil Premium is also paid to academies via the EFA - Education Funding Agency.
- Local authorities are responsible for looked after children in care and will make payments to schools and academies where an eligible looked after child is on roll.
- The Government decided that eligibility for the Pupil Premium in 2012-13 onwards will be extended to pupils who have been eligible for free school meals (FSM) at any point in the last 6 years.

What does this mean for Grange Primary?

We received **£101,800.00** Pupil Premium (PP) funding. Each child’s individual allocation is combined to create a lump sum and is supplemented with much larger sums from the main school budget. Consequently, we are able to provide many additional opportunities for the children.

The Pupil Premium allocations for 2015-16 are based on pupil numbers for Service Children and FSM data taken from the 2015 spring census, for which the count point was in January 2015.

For Grange the allocation is based on:

Type of pupil	Pupil Premium per pupil	Number of eligible pupils	Totalling
Primary Pupils Ever 6 FSM	£1,300	73	£94,900
Secondary Pupils Ever 6 FSM	£935	0	£0
Children in Care	£1900	2	£5,700
Adopted children	£1900	3	
Service Children Ever 4	£300	4	£1,200
		Overall Total:	£ 101,800

Overview of spending allocation for the financial year

Pupil Premium amount for the academic year 2015/2016	£101,800
Total expenditure for the year	£102,000
Remaining	£0.00

Staffing	£ 60,000
