

# Ask the Judges!

**Saturday May 11, 2024**

**WCOTC Training Center, Delmont PA**

- ◆ Have you ever wondered where and why you lost points in the Obedience Ring?
- ◆ Do you have questions on the correct way to perform some of the Obedience Exercises?
- ◆ Are there Obedience questions you always wanted to ask an AKC Obedience Judge?

**Then this is the workshop for you!**

AKC Obedience judges, Nancy Glabicki and Ted Walshesky, with provisional Utility judge, Karen Schroeder, will explain the correct performance of each Novice, Open and Utility exercise from the judge's viewpoint. There will be demonstrations of the exercises, with explanation of how they would be scored. This is not a working seminar. Questions may be submitted with your registration and we will attempt to answer them during our presentation.

**Morning Session** (approx. 9 am - 12 noon) will cover general Obedience regulations and the Novice exercises including proper heel position, acceptable hand position, the stand for exam, recall, fronts, finishes and group exercises.

**Afternoon Session** (approx. 1:00 - 3:30 pm) will cover the Open and Utility exercises.

**Cost for both sessions is \$25.00**

*Hot Dogs & Chips for Lunch will be available.*
