

# Cosmopolitan

## Ingredients:

40 ml Belvedere Citrus Vodka

20 ml Cointreau

15 ml Fresh Lime Juice

15 ml Cranberry Juice

Orange zest

## Instructions:

Pour all ingredients into a shaker with cubed ice, and shake until cold. Then strain into a martini glass and garnish with strip of orange zest (can also be a slice of orange, if preferred).

Finishing touch: If you want to get fancy, and you're good with a match, hold a large slice of orange zest over the glass, skin side folded out. Hold a match onto the zest until a stream of orange oil bursts into the drink. This takes some practice if you're not a bartender, but it does add a nice finishing touch.
