

The ExCEptional Times

OCTOBER 2017

Dear CEP Families,

September is coming to an end and all of the children are settling into their new routines. The tears are being replaced with laughter and singing! It has been a great start to the year seeing all of the returning faces, with lots of new faces joining us this year at CEP. As I begin my first year as director, I cannot thank everyone enough for being diligent in getting all of the required paperwork turned in. Thanks for making my job easier!

We will be having Parent Night on Tuesday, October 3rd. This will be a parent meeting with everyone in the fellowship hall and either before or after that a short time in the classroom with your child's teacher, where the teachers will explain their classroom procedures and daily schedules in a bit more detail. (*Childcare will not be available for this even, please make other arrangements for your children.*)

The schedule for that night is as follows:

- 7:00pm:** 17+ Monday Monkeys class will meet in room 163
- 19+ T/TH Ladybugs class will meet in room 163
- 2's W/F Pandas class will meet in room 163
- 2's T/TH Bees class will meet in room 165
- 3's MWF Frogs class will meet in room 168

7:35-7:55: Parent Meeting in Fellowship Hall

- 8:00pm:** 3's T/TH Elephants class will meet in room 168
- 3/4's MWF Comets class will meet in room 165
- 4's T-F Shining Stars class will meet in room 166

We are looking forward to seeing all of the parents that night so that we can establish good communication between our parents and teachers at CEP. We are starting (and some teachers have already begun) a new web-based sharing site for each of your classes called SimplyCircles. There is a handy app you can put on your phone/computer where teachers can privately share pictures and classroom updates periodically with you all. On parent night we will help you get set up on your child's teacher's group page if you haven't already done so. There are many ways that we share information with our parents. I will continue to put out a monthly newsletter and calendar. Also, there is a calendar on the windows outside my office.

I am looking forward to a wonderful school year! Please remember if you have any questions or concerns, my door is always open.

- Julie
