OUR MISSION

Our mission is to provide financial assistance to cancer patients who otherwise have no financial means to receive cancer treatment or pay for expenses incurred during treatment such as nutritional supplies, prescriptions, medical supplies and transportation to/from treatment or physician facilities.

Cancer patients without resources should be given the chance to survive this dreadful disease and be able to maintain a reasonable quality of life during treatment. The focus for these people should be to get well rather than worrying about how to pay for treatment. Being diagnosed with cancer is a fight in and of itself. We are here to help these people.
