

Meet Heather Krasner

Heather *says*

“As a music educator, I strive to foster students' confidence in their musical abilities, encourage a love and appreciation for diverse kinds of music, and provide access to high-quality, culturally responsive music learning experiences. In these uncertain times, I find myself turning to music for a sense of comfort and routine. I hope to help my students find this same joy!”

Heather *teaches*

Piano ● Voice
All Ages ● Beginner & Intermediate
