

North Dakota School for the Deaf/Resource Center for the Deaf and Hard of Hearing is inviting parents and professional to come hear the presentation of

Amy Szarkowski, PhD

Amy Szarkowski, PhD

Amy Szarkowski from Boston Children's Hospital is interested in exploring issues related to quality of life in children with hearing loss and their families, particularly social-emotional functioning. In her work, she also seeks to better understand the impact of hearing loss on the family system. Clinically, investigating the impact of hearing loss on cognitive and neuropsychological functions is of interest.
