Deer Hedge Run Trash & Recycling Information

Deer Hedge Run Trash and Recycling is collected on Tuesday mornings. If there is a holiday that falls on a Monday, trash collection is delayed one day and pick up is on Wednesday morning instead. Place your trash and recycled items at the edge of your parking space towards the street, with the appropriate sticker clearly visible. Please make sure your paper recycling is secure so that it does not blow all over the complex in the event of wind. Due to inclement weather and rodents trash and recycling goes out the morning of trash day and NOT the night before.

If you have any further questions regarding trash or recycling, additional information can be accessed via the Town of Maynard web site.
