A MESSAGE FROM THE FRED'S KIDS BOARD

First and foremost, we want to say a massive THANK YOU to all of our donors and everyone that has helped Fred's Kids during this past year. We could not be more proud of the ministry's accomplishments over the past 12 months. We know God has bigger and greater plans for Fred's Kids and we cannot wait to see what He will do in 2022 as we continue our support of the mission in Migori, Kenya. Please join us in prayer for God's blessings, provisions, wisdom, and discernment for the coming year.

James 1:27

"Uncle Fred" leads the Marindi Church choir to bless the Kigoto/Nyasoti annual conference event as Pastor Fred reunites with Nyasoti grandma Pauline at the conference. She is always grateful for basic supplies courtesy of Fred's kids org.

WHAT A DIFFERENCE!!!!

A clean modern Baptistry with a lockable metal cover. God is on the move, Hallelujah, God is on the move, on the move today. The kingdom is expanding. Souls are being saved. The Baptistry is ready for the many souls that will receive the grace that God has so freely given through His Son, Jesus Christ. Praise God from whom ALL blessings flow. Praise Father, Son and Holy Ghost. Amen.

GOD OF OVERFLOW!

These tanks are out of divine revelation. Just a few weeks ago we were so starved of water that we had to dig deep. But our good Lord has heard the cry of His children. You donors of the tanks are God send. Our rate of consumption is so high that before the tanks it was like we lived in the Sahara desert.

NEW BEGINNINGS

Oruba Marindi is growing fast and strong from the ashes of challenges at their infancy. Today, they happily received their new young minister from PEFA Marindi, Pastor Charles. Destined to go far. It is a new dawn. God is good.

OPERATION HARVEST SOULS

Marindi Youth with a vision and a mission on living the "Go ye" Spirit. It is *OPERATION HARVEST SOULS* at our infant 10th church Radienya Marindi. Thank you for your prayers and support Fred's Kids and your great friends. You always make it happen.

The 10th Marindi satellite church (Radienya Marindi) celebrated 1 year since it opened its doors. A very young couple George and his wife Ruth accepted Jesus as Lord and Savior during one of our teams' door to door witnessing and joined Ogwedhi Marindi church 6 miles away from their home. 1 year ago they invited our team of evangelists to witness in their community. While we were still looking for temporary accommodations to rent for the new congregation, a lady offered us an abandoned old church building that had lied in neglect for some time. It is growing every week.

The school children enjoyed eating their lunch of beef and potatoes on their freshly painted dining tables.

These new Christians are happy to have a church building. Even though this church building has tin walls and dirt floors, the Spirit of God is there, so the surroundings do not matter.

A SPIRIT OF GIVING

For the love of these little ones, young man Kenneth let go his plans for his house ,for now, and donates his ready bricks still in kiln towards classroom construction for the kids. God's Spirit on the move. He is so good. Your prayers still shaking mountains.

The power of following into the footsteps of our master. "He went everywhere doing good". This lady was found in a very depressed condition during Pastor Martin's door to door witnessing. She accepted to come to church and try Jesus. Four weeks now in church, she is one of the happiest and active member of the Nyasoti congregation. Jesus is the same yesterday today and forever. Her life is changing for better. Praise be to God.

Merry Christmas to you all family, the larger Christian family all over and friends all over. May this season fill us with more of Jesus than anything else. Jesus Christ who is the reason for this season.

Love y'all,
From Pastor Fred and his family

We would like to thank the Fred's Kids family for the wonderful Christmas gifts. My family, the Pastors, and the kids thank you for thinking of us.
