

THE BUGLE

American Legion Post 132, Orange, California, NEWSLETTER, February 2025

**VICTOR DE LA ROSA,
COMMANDER**

Greetings all. We had some great events last month, including wrestling, our first-ever Trivia Night, and Bingo, which has been getting really good attendance since we started it last year. I encourage those who have not yet participated in some of these fun events in the past, consider joining us for some of the Post gatherings in February. You'll have a great time.

Regarding Post infrastructure, several maintenance issues require our attention. The plumbing system and roof require some TLC this year. These improvements are essential to maintaining our facility's operational status. If you'd like to help out, ask one of the board members how you can help.

On **February 16**, we will host a special **fundraising breakfast**. All proceeds will benefit veterans in the community of the American Legion Post in Pacific Palisades. Although the Palisades Post miraculously survived the recent fires, they are working to support numerous veterans within their community who lost their homes in the disaster. Your attendance and financial support would be greatly welcomed.

And just because March 1st arrives faster than anyone expects, don't forget our **Whiskey and Cigar night**, happening in our 3rd floor speakeasy on Saturday, March 1, from 6-11pm.

Finally, we wanted to let you know about our three 2025 dates for our Post **Red Cross Blood Drive**. The dates are:

- Sunday, March 30, from 9am-4pm
- Sunday, August 3, from 9am-4pm
- Sunday, December 7, from 9am-4pm

Hope to see you at the Post!

Commander, Post 132

**JOHN MINNELLA,
POST 132 & DIST. 29 IMMEDIATE PAST COMMANDER;
POST 132 & DEPT. OF CA JUDGE ADVOCATE**

Comrades and Friends! Just a few words from your Post and Department Judge Advocate.

Fortunately there are no issues at our Post at this time to my knowledge. Keep your eyes and ears open for any potential problems for us like necessary repairs that could injure people if ignored. Any potential problems should be reported to the Post Commander (Victor DE LA ROSA), the Post Building Manager, any Post Officer (they are all listed on the last page of every BUGLE issue) or myself.

Though the Legion National Commander and other AL National leaders will be visiting California in February, they will not be visiting Southern California. I will be meeting with them and our Department Commander, Nick ROSA, in Vacaville and in Folsom and do my best to represent Post 132 positively.

District 29 officer elections are upon us. In the past, Post 132 has had officers in multiple positions of leadership and that should continue. If you have some available time (not much is needed), consider getting involved at that level either as an elected or appointed officer. Contact me for more information. Post 132 is a leading member of District 29, and District 29 is the largest District (in numbers) in Area 5 (the 5 Districts of Southeastern California) and the entire Department of California.

Remember our mutual commitment to the Preamble to the American Legion Constitution and the Legion's Four Pillars (Veterans Affairs & Rehabilitation; National Security; Americanism; Children & Youth); and most of all remember our commitment to our Constitution and Country.

Post 132 continues to operate ever mindful of any and all legalities. Should you become aware of some potential legal problem for the Post, please inform me at your earliest opportunity so it can be addressed. If I can be of any help to you, feel free to contact me 24/7/365.

DAVID ANDERSON, CHAPLAIN

Let us not talk about LOVE in February only. Let us give the other months some LOVE too. Let us spread LOVE every day of the year and show the world, we really care.

"Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres."

DIANA TRUJILLO, UNIT 132 AUXILIARY PRESIDENT

Happy February! Thank you for making January a great Auxiliary month!

We have a big dinner event and Honoring Women Veterans on Friday the 28th. Our Chair is Dar Phillips, and she will let us know how you all can help. Dar and her husband are also making the special for that night. It will be an honor to have women veterans attending this great event!

Here is a fact: The Women's Armed Services Integration Act of 1948 allowed women to serve in all branches of the U.S. Armed forces. Today women make up 17.5% of active-duty military and 21% of the selected reserve.

Hope to see you at the post!

Diana Trujillo,
Auxiliary President
dtrujillo5280@gmail.com

JAMES GOMEZ, SONS COMMANDER

At our last meeting, our attending members unanimously elected **Mike Holmes** as 1st Vice Commander. Congratulations Mike! You're killing it with your dedication to membership renewals.

Big thank you to the volunteers for the Sons dinner and/or breakfast in January: **Kevin P Anderson, Tommy Dees, Pierre Duco, Tom Duprey, Justin Fawver, Mark Fawver, Terry Hildenbrand, Mike Holmes, David Laguna, Michael Moss, John Shore** and **Kevin Wagner**. (We also had some one making crepes at our breakfast ... I apologize for not getting your name, but thank you!)

Diana Trujillo spoke to our membership thanking the Sons for donating the 2nd floor ice machine, which is now installed. This will make supporting events on the second floor easier. No more having to go to the 1st floor to refill ice. We also voted to sponsor one participant for **Boys' State**, and contributed a donation of \$500 to the **Red Cross** in support of victims of the **Los Angeles fires**.

Sons Membership Renewals: If you haven't renewed for 2025 (and were active in 2024), you're still in the grace period to renew. You can renew at the bar, in person to me or Mike Holmes, or by mail. Send renewal checks for \$20 (\$15 for under 18) to Post 132 Sons, PO Box 214, Orange, CA 92856. Please use the PO Box, since it's more secure than the mailbox at the Post's physical address.

Sons Commander

ARTIFACTS FROM THE CURATOR'S CORNER

This month's "Artifact From Our Museum" is made of a polymer and plastic blend. It is tan in color and semi round in shape. It has green camouflage netting and several words, ("thoughts" and "reflections") written in English with a black sharpie. It is a captured Iraqi Soldier's helmet.

Desert Shield ended on February 23, 2003, when Desert Storm began.

Under General Schwarzkopf, Allied Forces, spearheaded by American Soldiers and Marines, began the "Ground War" with the Iraqi Forces under Saddam Hussan. On February 27, 2003, American Forces entered and liberated Kuwait having destroyed most elements of the Iraqi Military in just 100 hours of combat.

Many of our fellow legionnaires were there and or in the Global War on Terror which followed. This Iraqi Helmet was a "Bring Back" by one of them; 3rd Vice Commander, Army Sergeant Gerardo Robledo, Jr., Global War on Terror Veteran, and member of 1st AD Bco 2/6 Infantry Company, "Death Dealers." He and his fellow soldiers wrote on it - and it is very interesting reading, encapsulating emotions and thoughts in the way American Forces have done since our Revolution; "Graffiti."

I invite you all to stop by our museum and view all the artifacts from the Gulf War and the Global War on Terror. And, the next time you see one of our "Younger Vets" at our Post, please remember to thank them for their service. Too many times we recognize the older vets and tend to "overlook" the ones that have been part of our nation's more recent wars.

Oh, and by the way.... "Kilroy was here!"

Frank Cook,
Museum Curator / Past Commander

Veterans' CORNER

DID YOU KNOW

Why become a member of the VA Healthcare?

'I have my own insurance, why should I sign up with the VA? Here's why.

You may not need VA Healthcare but what about later? Signing up now eliminates the hassle of signing up later when you may need their services.

Services provided to veterans change constantly, things that may not be covered today may be tomorrow.

Long Term Care is one example, the Elizabeth Dole Home Long Term Act (S. 141) is a case in point. If signed by the President:

- **It Expands access to a non-VA provider that would furnish all-inclusive care to elderly veterans living in the community.**
- **Updates electronic capabilities to assist veterans and caregivers using long-term health care and support services.**
- **Starts a pilot program that would address homemaker and health-aide services to veterans.**
- **Give reports and conduct studies on programs that provide medical and health services to elderly veterans in their homes and communities.**
- **Increase the limit on amounts VA would pay for long-term care provided outside of the department facilities.**

Dependency Indemnity Compensation (DIC), Veterans Assistance Program, Spousal Assistance Program, should something happen to you, does your wife qualify? The current payment for DIC for a qualifying spouse is \$1612.75 a month, TAX FREE for the rest of their life.

Buriel Benefits: What do you qualify for?

These are just a few of the benefits you need to have answers to prior to needing them, so please sign up for VA Healthcare today. You may not need it now but someday you or your spouse might!
