

SOUTH SHORE ASSOCIATION OF ONEIDA LAKE

Our South Shore Association of Oneida Lake Auxiliary would like to invite Club members, families and friends to participate throughout the year in our collection of food items (including frozen and dairy), paper products, personal items and baby items.

In keeping with the Club's generosity, we are striving to continue these donations to our local facilities that supply directly to the less-fortunate individuals and families. The food pantries help 100+ local families every month so they are always in need of donations. Some suggested items are as follows:

- | | |
|-----------------------|-----------------------|
| ~ Canned Meats | ~ Cereals/Oatmeal |
| ~ Canned Beans | ~ Chunky Soups |
| ~ Canned/Dried Fruits | ~ Peanut Butter |
| ~ Canned Vegetables | ~ Pasta, Rice, Grains |
| ~ Canned Stews | ~ Dried Beans |
| ~ 100% Fruit Juices | ~ Boxed Milk |
| ~ Spaghetti Sauce | ~ Dinner Mixes |

With the donation of frozen or dairy items, just let us know, and we will see that they are delivered promptly.

We would like to thank everyone for their support and participation in the past and hopefully in the future. Our donations are the Club's way of giving back to the community.
