# The Echo

**August 30th, 2019**

Every year we reflect on the summer that was. We are very proud to have been able to share this summer with you. We spent a great deal of the off season adding many improvements to the park, and we believe that they had a very positive impact on your enjoyment this summer. The feedback from many of our guests has been terrific! Your enjoyment is what motivates us!

Through the years we have had the opportunity to work with some tremendous staff. This year was no exception. The staff were incredible! Callie and Geordie did a fantastic job of entertaining the kids this summer. No lives were lost as Silas and Gabrielle kept the pool free from incident. In fact Gabrielle was the driving force behind creating life as a number of Monarch Butterflies were raised from egg to adult, to the amazement of many. Ashley, Alex, Alexandra, Jacob, Leah and Libby were awesome looking after your needs in the store. Jerry, Mark and Cailin prepared a lot of great food, and Avery washed a lot of dishes! and Gracie, Casey and Anne-Marie excelled at getting the food out to our hungry guests. We had more compliments of the how great the park looked this summer, than ever before. This is testament to the efforts put forth by Eric, Moe, Grayson and Brayden. These guys have set the bar pretty high. Wonder how they will improve on that next year? Speaking of clean, Sarah, Chris and Kadie did a masterful job maintaining the cottages and trailers all summer long. Last but not least. Ingrid, Rachel, Cassie, and Danielle were tremendous hosts. They were terrific in looking after the needs of all our guests. **JOB WELL DONE!!** We are so lucky to have you all as part of our team.

We purchased Cedar Cove 14 years ago with a 15-year plan. That plan was to sell, or step away from the business and enjoy the fruits of our labour. We have been so fortunate to have had our family around us, and supporting us over the years. We take great pride in their accomplishments and look forward to continue to watch them grow and succeed. This summer has been especially satisfying on a personal level. We shared the marriage of Adam and Kayla this spring, and will be closing out the summer as Eric and Danielle say their vows this fall. Furthermore, we are working towards and are very close to accomplishing our 15-year goal. We are thrilled, for ourselves and for you, to have the opportunity to step away and turn the reins over to Eric and Danielle. This is our task for the off-season. They are perfectly suited to continue the legacy of Cedar Cove and young and energetic enough to take the resort to new heights. They have some exciting ideas and we are anxious to watch them bring them to fruition. As Adam's business continues to grow and Eric and Danielle start their new adventure Carol and I feel truly blessed with the opportunity that Cedar Cove has provided. We are thankful that we have been able to share this experience with our family, and truly grateful for having the support of our guests throughout the years and hopefully that continued support for years to come. Thank you for a tremendous 2019.
