March Meeting Highlights

The March 12, 2013 meeting was called to order by president, Carole Martinez. Glenn Plauche reported a balance of \$3749.45 and made the last payment for the Pontchartrain Center. The committee shared their reports. Fran Swan reported an all-time high donation of \$93. Ron Broadbent reported all 24 booths were rented. There are displays set up in the Jefferson Parish and St. John Parish libraries. A fascinating program was presented on Hall pitchers. This was followed by the show 'n tell which members presented items used for Easter. The meeting ended with an Irish toast for St. Patrick's Day to celebrate March's birthdays.

The raffle winner for March was Vicki Hale, who won a center handle server.

Monthly Program

March's program was presented by Bonnie Theard and she talked about her Hall pitcher collection. The Hall pitchers came in designs that matched dinner wear. The most famous pattern is "Autumn Leaf" and the rarest and the most expensive color is Orchid, which she doesn't have in her collection. Her best buy is the Hercules pitcher made for Westing House. The value of the pitcher is \$95-\$115. She bought hers for \$5 from Lee Vinson! Bonnie only presented part of her collection as the pitchers take up a lot of space. Thanks for a great program,
Bonnie!
