## Water Conservation Tips

### Inside

- \* Do run the dishwasher and washing machine only when full. Save even more by using the short cycle.
- \* Don’t let the water run while washing dishes. Kitchen faucets use 2 to 3 gallons a minute. Filling a basin only takes 10 gallons to wash and rinse.

### Outside

- \* Don’t allow sprinklers to water your street.
- \* Only water your lawn or plants before 9am or after 7pm.
- \* Place 3-4” layer of mulch around trees and plants to retain moisture to keep the soil cool, replace once a year.

### Bathroom

- \* Do take short shower and save 5 to 7 gallons a minute.
- \* Don’t run the water while shaving, washing your hands or brushing your teeth. Faucets used 2 to 3 gallons a minute.

### Everywhere

- \* Do repair leaky faucets and turn taps off tightly. A slow drip wastes 15 to 20 gallons each day.
- \* Don’t open fire hydrants.
- \* Don’t forget to shut off your hoses and be sure to check your seals and gaskets as new ones help save water.

**Special Purpose Vehicles**

With summer here we want to remind all of our residents that there are rules and regulations for driving ATV/UTV's and Golf Carts in the City Limits. The City requires a permit for each one and you can obtain that information by contacting our office Monday through Friday 8:00am to 5:00pm at 620-237-4271 or stopping by to see us at 339 N. Cedar St. We also have all of our forms online at [www.morancity.org](http://www.morancity.org).

Please update your phone number(s) with here at City Hall. We want to make sure we can reach you in the event of an emergency. You can call us at 620-237-4271 or write your number on your bill payment stub when you drop off your payment this month. Thank you!
