Business of the Agenda

All members of the Council are hereby summoned to attend for the purpose of considering and resolving upon the business to be transacted at the meeting. The meeting is open to the press and members of the public.

Under the Openness of Local Government Bodies Regulations 2014, any members of the public are allowed to take photographs, film and audio record the proceedings and report on all public meetings (including on social media). No prior notification is needed but it would be helpful to let the Clerk know of any plans to film or record so that any necessary arrangements can be made to provide reasonable facilities to report on meetings. This permission does not extend to private meetings or parts of meetings which are not open to the public. All recordings and photograph equipment should be taken away if a public meeting moves into a session which is not open to the public.

If you are recording the meeting, you are asked to act in a reasonable manner and not disturb the conduct of the meeting by using intrusive lights, flash photography or asking people to repeat statements for the benefit of the recording. You may not make oral commentary during the meeting. The Chairman has the power to control public recording and/or reporting so it does not disrupt the meeting. Recording must be clearly visible to anyone at the meeting. Please see our policy on Recording at Meetings available on our website for further details.
