Dear Elliott,

Thank you for bringing a presentation of A Finished Heart to Multnomah County's LGBTQ Employee Resource Group, Prism on April 30th, 2015.

The performance was intimate, and very moving. Folks in attendance have provided feedback which includes show descriptions such as "raw", "honest", "relevant", and "sad, but true – in regards to the loss of a loved one".

Thank you also for staying on after the performance to have a Q&A session with audience members. The opportunity to connect with you and talk about shared experiences was very meaningful.

Best wishes for continued opportunities to share your story.

Sincerely,

Liz Rodriguez
Prism Co-Chair
