MARK THOMPSON

Mark Thompson is one of the Certified Flight Instructors at Skyview Aviation. He has over 1150 Total flight hours and growing. His primary training was done in Portland Oregon, but he has trained all over the US. Mark worked as a 135 medevac first officer in the CJ3 and citation mustang. He is also a Veteran of the Air Force, serving for 23 years (13 of which was as a loadmaster.)

Mark - "My favorite thing about aviation is watching my students grow and become successful pilots. My hobbies outside of work are things like cycling with my family, amateur ham radio operation, and RV renovation.
