

WASHINGTON MASONIC NATION

THE BLUEPRINTS AND SYMBOLS OF LUCIFER'S PLAN FOR AMERICA

The Great Pyramid Pattern

The Washington Masonic Memorial complex layout is incorporated with a park. From a top view it can be seen as following the approximated layout of the Great Pyramid. Why the Great Pyramid is often used by the Luciferians on one level of application is that it is a holy 'Altar of YHVH' as depicted and inference in Isaiah 19:19. The dark minions seek to defile and replicate this design for their purposes and have encrypted this design, mathematics and sacred geometry to space and time. This sacred dimension spans also Biblical prophecy as the Great Pyramid blueprint is the universal and divine template of human history.

Sept 18, 1783 to Nov 1, 1923
 = 51,177 days
 or 140 years, 1 month, 14 days
 This was **7** years from 1776.

Nov 1, 1923 to Sept 13, 2015 including end date
 = **33,555** days

or **91** years, **10** months, 13 days
 9110 = 911

The last day for the Stock Market rally will be on Sep 11, 2015
 a **9-11**

Inverted elevation as the Memorial is higher than the pyramidion of the ground layout yet both pinnacles denote a 5776 code.

SOME CALCULATIONS

481 ft radius x 2
 = 962 ft diameter

962 ft diameter x Pi (3.14...)
 = 3022 ft Circumference

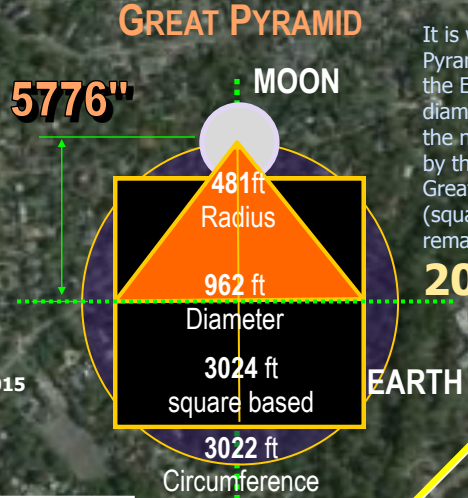

Moon radius = 1080 miles
 Earth radius = 3960 miles

TOTAL 5040

5040 miles = feet then

It is well researched that the Great Pyramid encapsulates the dimensions of the Earth and the Moon's radiuses, diameters and circumferences. If the number 5,040 is subtracted by the actual perimeter of the Great Pyramid at 3,024 ft (square based) then the remainder is

2016

2016
6° 5776

From Base of Great Pyramid to include Cap Stone
 = **5776** inches
 481 feet

The Washington Masonic Memorial building cornerstone was laid with the same trowel that Washington used to lay the cornerstone of the Capitol Building of Congress 7 years after 1776. The Masonic Memorial is only 148 ft shorter than the height of the Great Pyramid. If one takes the ratio and proportion of their mathematical value and equates them to years one can use the proportion to ascertain the secret codes of Lucifer's mathematics at play.

481ft = 5776 inches

481 - 333 = 148 difference

481 = 333
 5776 x

481x = **1923**408 (the year 1923 was when the Memorial was started)

x = 3998.76 or 3999 rounded off

5776 - 3999 = **1777** (a 1 year anniversary from 1776)
