## ***Instructors:***

Your chief instructor for the courses provided the BRG Firearms Training Academy, LLC will be our Training Director - Dr. Diana Sorrentino, Ph.D. Dr. Sorrentino; known to her friends and colleagues as *Dr. D.*, is an NRA Appointed Training Counselor; an NRA Certified Firearms Instructor and an NRA Chief Range Safety Officer. Dr. Sorrentino is Lethal Weapons Certified. Dr. Sorrentino is a Veteran of the United States Navy; an Intelligence Officer; a former Foreign Area Officer and Security Analyst who researches, designs, develops and conducts seminars and training programs on the use of Deadly Force, and an individual who currently coaches, instructs and trains military, police, private security personnel and civilians in Defensive & Tactical Handgun Skills and the use of Firearms for the defense of self and others. In addition to the credentials and experience brought forth by our Training Director; all of the instructors at the BRG Firearms Training Academy are certified in their respective disciplines *and* are current or former State Police Officers, Law Enforcement Officers, Military personnel with combat and/or special operations experience and private security professionals. The breadth and depth of their combined knowledge, experience and resources is as comprehensive as it is diverse.

## ***BRG Firearms Training Academy, LLC:***

We *are* a Professional Training Organization. We *are not* a part time endeavor; nor are we teaching to pay for our hobby or operating a puppy mill playing a video doing the course on the cheap like so many other instructors. We will have a minimum of Three (3) instructors and upwards of Five (5) instructors for each class. As such; we *always* maintain an instructor to student ratio of ***One (1) Instructor for every Three (3) Students*** in the class. This is a *hands on learning experience* for the student. Please remember: You get what you pay for!

## ***Course Description:***

This course is at least Eight (8) hours long and will include classroom and range time with the student learning to shoot revolvers and semi-automatic pistols. Students learn NRA's rules for safe gun handling; pistol components, parts and operation; ammunition; basic ballistics; shooting fundamentals; range rules; shooting from the bench rest position, and two handed standing positions; cleaning the pistol; and continued opportunities for skill development. Students will receive the NRA Guide to the Basics of Pistol Shooting handbook, NRA Gun Safety Rules brochure, Winchester/NRA Marksmanship Qualification booklet; take a Basics of Pistol Shooting Student Examination, and course completion certificate.
