

### **Mailbox Maintenance and Repair**

If the entire mailbox is broken, you can take the entire unit (base and all) to Midtown Hardware, 4311 E 31<sup>st</sup> St., Tulsa, OK 74135; leave it with them and Ken of "Street Lamps" will pick it up and fix it.

If you need to replace the entire unit then you will need to contact Street Lamps at 918-622-8809. They are located at 3975 S Sheridan Rd, Tulsa, OK 74145. They have the exact same mailbox as we all have here in Coffee Creek. They are the main supplier of mailboxes for most developments in the Owasso and Tulsa Metro area.

If you must replace the mailbox it MUST be the same style/type as all the other in Coffee Creek according to our covenants.
