**Arlington, VA** – On Tuesday, May 26<sup>th</sup> at 11 a.m. EST, the guest on “**Beyond Just Talk with S. L. Young**” will be **Marquita Miller** who is an entrepreneur, a local marketplace leader, and someone who has spoken extensively about the impact of faith to help individuals survive the challenges of starting a new business.

Mrs. Miller became an entrepreneur in 2005 after working as an accountant for Fortune 500 companies for many years. Her tax business provides a diverse menu of solutions ranging from tax planning/preparation, accounting/payroll, business startup planning, financial/performance evaluation planning, revenue generation, and more.

Mrs. Miller was a keynote speaker for several prestigious organizations, along with being a regular guest on CBS and FOX morning news programs, along with being a contributing writer for Black Enterprise magazine. She holds a Bachelor’s of Science degree in accounting and management from the Park University and a Master’s degree in Business Administration from the Keller Graduate School of Management.
