PRESIDENT'S CORNER

As most of you know we have plumbing problems that are ongoing. When these occur we notify all units involved directly and indirectly. We advise you not to use certain sections of the unit so the repairs can be made. We recently asked that this be done. However someone failed to comply and you can guess what happened below. PLEASE COMPLY!!

Also remember it is required that you check in with the office when arriving, this includes owners, renters and guests in accordance with our rules.

Looking forward to seeing you all soon!

NEW LOOK IN THE NORTH and SOUTH MAILROOMS!

Suntamers recently installed window film on the east windows in both mailrooms. The film not only protects our new carpet from fading but offers a new ambiance!
