

Shannon Heston Boys' Basketball Camp 2021

This is our sixteenth year to run our basketball camp in Katy! We believe that summer is a great opportunity to improve basketball skills and improve your game for the upcoming season. It's a great time to further your knowledge of the game and edge out the competition on the basketball court. We missed hosting our camp last year, but are so excited for the return! This year, for the summer of 2021, we are again excited to offer three sessions of basketball camps. Thank you for choosing Shannon Heston Basketball Camp! Together, we build character, promote positive attitudes, and focus on high quality fundamentals of basketball in a competitive and fun environment.

See you on the court,

Coach Heston

About the Staff

Camp director Shannon Heston has worked basketball camps in the Houston area for the past 23 years. Coach Heston continues to lead his 6A high school team with a "team first" mentality and is more proud of the men they become than anything else. This past season showed how much mental toughness his team had, as they overcame many obstacles to once again qualify for the 6A UIL Playoffs. Coach Heston previously served as a high school assistant and middle school coach for 16 seasons before taking over as head coach in 2014.

The camp staff has a passion for teaching and runs a very competitive camp with a focus on basketball improvement, sportsmanship, and having fun! All camp staff are former basketball players or current high school, and junior high basketball coaches who LOVE to teach the game of basketball. The coaches want to help campers learn what it takes to be a successful player!
