From the Editor

Hello everyone,

If anyone is looking for a clean, early model convertible with AC, this is a very nice car. See classified ads for details. It is hard to believe another year is almost gone and we will be planning Springfest 2020 in January. I hope to see everyone on the 7th at Lillian's for our Christmas party. I will be bringing a coconut cake so I am not turned away at the door ...LOL

Clay

15K OBO**

FOR SALE: 1962 Corvaair 4DR sedan. New ignition system, new carbs, new A/C compressor (installed, but not completely hooked to system). Good black interior seats, original tube radio works, almost new tires, good paint (Candy Apple) with just a few spots of surface rust under paint. In addition I have what I believe to be a complete engine for a 1960 Corvaair, new pistons, cylinders, bearings, just is not put together, along with a transmission. I also have a complete engine for a 1963 (ran when pulled out). It has a new torque converter, new starter. Distributor is off of engine as well as carbs. I have the carbs as well as more parts for the 63 engine. Will sell every thing for \$2000 or best offer. Contact Steve Weigandt at triglide1941@yahoo.com

FOR SALE 1965 Monza sedan for sale. Blue exterior and white interior. This car was restored in 2004 and won its class at that year’s Springfest. It has the 110 hp motor, powerglide, Clark’s interior, dual exhaust, electronic ignition, high-output alternator, wire wheel covers, good tires, two new spare tires, Clarks’s lower control arm bracket. Pictures can be seen on Craigslist- Savannah, GA(search Corvaairs). The car is located in Glennville, GA(about 60 miles west of Savannah). From Lillian:

. Christmas Party, December 7, 2020

Everyone is invited to the Heart of Georgia Corvair Christmas Party at my home. I will be cooking baked ham, mashed potatoes, green bean casserole, dressing, giblet gravy, butter beans, cranberry sauce, sweet potato souffle and tea.

If anyone wants to add to this you may bring something, we will need some dessert.

We usually eat around 5:30, come early and enjoy visiting with other club members. Chris will be here to open the shop for the guys to visit or whatever.

Remember we elect officers, if you do not show up you could get elected. This is a good time to pay Club Dues. Still the best bargain around at \$12.00 per year. Make checks to Heart of Georgia Corvair Club.

Please let me know if you plan to attend by December 4, lawjandl@aol.com or 229 291 0567. Hope to see all of you on the 7th.

Lillian Law

Update on Springfest, City has issued permit for the Auto Cross and fees paid, Contract with Festhall has been signed and deposit paid. Contracts with Motels are in place and reservations can be made. Clay will host January 11, 2020 Meeting. Article has been sent to the Communique and will be in January-February issue.

Have a Happy and safe Thanksgiving, we have so much to be thankful for.
Lillian

Dues are due in January for 2020. New members do not need to pay again.

From the Prez..... Chuck Smith

Hello, everyone, and welcome to the December edition of The 'Vair Fax. Yep, that's right. The December edition. 2019 is just about gone. When you read this, Thanksgiving will be gone, and the Christmas season will be upon us. As I have said in the past, time flies, whether you are having fun or not.

I am sitting here in my chair, with our newest cat, Hooper, asleep on the footrest, not helping one bit in the composition of this article. Just thinking back about the past year, and all of the Corvair events that Mom and I had the chance to attend. The show in Pensacola, FL, Springfest, the Choo-Choo show in Chattanooga, the Corsa convention in Chicago, our very own 'Vairs at the Fair, and the show in Maggie Valley. Where am I going with this, you ask? Well, obviously the common thread here is the Corvair itself. But the most important thread here is the people. Corvair people. I don't think that you will ever find a better bunch of friends anywhere. Willing to come to the aid of anyone needing help at a moments notice. Need examples? At any of the above mentioned events, there has been some kind of mechanical malady. Once word gets out that someone is having a problem, it is like ants converging on a glob of honey. (sorry, that's the best analogy I could come up with on short notice!). One person has the needed part, another has the correct tools, and before you know it, there is a tech session going on in the parking lot, and before long, the problem is solved.

I have said it many, many times, and I am going to say it again. Our club is more than just a car club. We are family. We laugh together, and we cry together, and are always there for each other. And for this, I am truly thankful.

Keep them Corvairs on the road,
hope to see everyone at Lillian's
on the 7th for the Christmas Dinner
Chuck
P.S. Hooper is still asleep.
