

FOR IMMEDIATE RELEASE:

Women in Safe Homes (W.I.S.H.) and Muskogee County Council of Youth Services (MCCOYS) would like to announce the 10th Annual Mudstock Mud Volleyball tournament June 3rd 2017 at Three Forks Harbor in Muskogee, Oklahoma!

Right on the river, this year's tournament seeks to have over 60 teams playing and getting down and dirty in the mud! There are prizes for the winners, and for additional competitions held throughout the day, as well as a super-fun Kid Zone for the kids to play in!

This event is organized to bring awareness of and to help raise much-needed funds for W.I.S.H. (Women in Safe Home) and MCCOYS (Muskogee County Council of Youth Services), both local, non-profit organizations that serve Muskogee County. 100% of the proceeds raised at Mudstock are used by these two local charities, and are desperately needed to support their programs.

We are encouraging team captains to register at MCCOYS 4009 Eufaula Ave Muskogee, OK 74403. Sponsorship opportunities are available to businesses, and individual donations are welcome and very much appreciated. Admission to the event is free.
