Parents,

With the start of the 2019 Football season, I would like to let all parents know how to get information on our program and specific teams.

Our website, (www.wtyouthfootball.com) has a wealth of information posted on the page. We also have a Facebook Page and Twitter handle that information is also available. You can get to both social media sites from our website. We also have text alerts available. Some coaches use "Remind" to put information out to their parents. You can see your individual coach on how to sign up for "Remind".

Make sure your coach and team Mom have accurate emails and phone numbers to make sure you have up to date information. Football is an all weather sport so we normally will not cancel practices or games for rain. I leave that decision up to the individual head coach to make.

If you ever have any questions, please let me know. I am usually in or near the field house during practice hours.
