

Prayer Requests

A young couple recently started visiting in our worship services—Cody Johnson and Maria Berquez. They hail from California and Arizona. Cody is enrolled at the NTI Institute in Mooresville. He felt comfortable enough with our gathering to rise this past Sunday and say that he had been defrauded by a family member. Bank account wiped out. He was not asking for a hand-out, but rather assistance in finding some extra work during this time of major adjustment.

If you have some work that could be done around your house or business, call Cody at 619/962-3922 or email Maria at johnsonmaria0622@gmail.com. If you want to just offer some assistance you may write a check directly to them.

After talking with Maria, their primary need is financial. They have enough food for a couple of days. We will meet them at the church tomorrow afternoon to give them a box of food items. If you'd like to contribute, they just need simple things like soups, macaroni and cheese, sandwich meats, bread, milk and cereal. Have your donations at the church by 3pm and we will make sure they get them.

This is another opportunity for us to help.
