Such authorization of indemnification shall be deemed to be mandatory and deemed to constitute authorization of indemnification and advancement of expenses to the fullest extent permitted by the Texas Non-Profit Corporation Law, as amended and in effect from time to time.

ARTICLE 16 FUNDS AND ASSESSMENTS

Assessments

16.01 The Association may from time to time levy Assessments against each Lot whether or not improved. The level of Assessments shall be equal and uniform between all Lots.

Where the obligation to pay an Assessment first arises after the commencement of the year or other period for which the Assessment was levied, the Assessment may be prorated as of the date when said obligation first arose in proportion to the amount of the Assessment year or other period remaining after said date.

Each unpaid Assessment together with such interest thereon and costs of collection thereof as hereinafter provided, shall be the personal obligation of the Owner of the Lot against which the Assessment falls due, and shall become a lien against each such Lot and all Improvements thereon. The Association may enforce payment of such Assessments in accordance with the provisions of this Article.

Maintenance Funds

16.02 The Board shall establish a maintenance fund into which shall be deposited all monies paid to the Association and from which disbursements shall be made in performing the functions of the Association under these Bylaws. The funds of the Association must be used solely for purposes authorized by these Bylaws, as it may from time to time be amended.

Regular Annual Assessments

16.03 The initial annual Assessment shall be One Hundred and No/100 Dollars (\$100.00) per year, payable in two (2) annual installments of Fifty and No/100 Dollars (\$50.00) each. Thereafter, prior to the beginning of each fiscal year, the Board shall estimate the expenses to be incurred by the Association during such year in performing its functions under the Declarations and these Bylaws, including, but not limited to, the cost of all entry ways, landscaping, greenbelts, common areas, median strip, and right-of-way maintenance, the cost of enforcing the Declarations, and a reasonable provision for contingencies and appropriate replacement reserves, less any expected income and any surplus from the prior year's funds. Assessments sufficient to pay such estimated expenses shall then be levied as herein provided; provided however, assessments may not be increased annually by more than ten percent (10%)

of the prior year's assessment amount, and that level of Assessments set by the Board shall be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including non-payment of any individual Assessment, the Association may at any time, and from time to time levy further Assessments in the same manner as aforesaid. All such regular Assessments shall be due and payable to the Association at the beginning of the fiscal year or during the fiscal year in equal monthly installments on or before the first day of each month, or in such other manner as the Board may designate in its sole and absolute discretion.

Special Assessments

16.04 In addition to the regular annual Assessments provided for above, the Board may levy special Assessments whenever in the Board's opinion such special Assessments are necessary to enable the Board to carry out the mandatory functions of the Association under the Declarations. The amount and due date of any special Assessments shall be at the reasonable discretion of the Board.

Owner's Personal Obligation for Payment of Assessments

16.05 The regular and special Assessments provided for herein shall be the personal and individual debt of the Owner of the Lot covered by such assessments. No Owner may exempt himself for liability for such Assessments. In the event of default in the payment of any such Assessments, the owner of the Lot shall be obligated to pay interest at the highest rate allowed by applicable usury laws then in effect on the amount of the Assessment from due date thereof (or if there is no such highest rate, then at the rate of 1.25% per month), together with all costs and expense of collection, including reasonable attorney's fees.

Assessment Lien and Foreclosure

16.06 All sums assessed in the manner provided in this Article but unpaid, shall, together with interest as provided in 16.05 hereof and the cost of collection, including attorney's fees as herein provided, thereupon become a continuing lien and charge on the Lot covered by such Assessment, which shall bind such lot in the hands of the Owner, and such Owner's heirs, devisees, personal representatives, successors or assigns. The aforesaid lien shall be superior to all other liens and charges against the said Lot, except only for tax liens and all sums unpaid on a first mortgage lien or first deed of trust filed of record, securing in either instance sums borrowed for the acquisition or improvement of the Lot in question. The Association shall have the power to subordinate the aforesaid Assessment lien to any other lien. Such power shall be entirely discretionary with the Board and such subordination shall be effectuated by an officer of the Association, duly authorized by the Board. To evidence an Assessment lien, the Association may prepare a written notice of Assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien, and a description of the Lot. Such notice shall be signed by an officer of the Association, duly authorized by the Board, and shall be recorded in the office of the County Clerk of Brazos County, Texas. Such lien for payment of Assessments shall attach with the priority above set forth from the date that such payment becomes delinquent, and may be enforced subsequent to the recording of a notice of Assessment lien as provided above, by the foreclosure of the defaulting Owner's Lot by the Association in like manner as a mortgage on real property, or the Association may institute suit against the Owner personally obligated to pay the Assessment and/or for foreclosure of the aforesaid lien judicially. In any foreclosure proceeding, whether judicial or not judicial, the Owner shall be required to pay the costs, expenses, and reasonable attorney's fees incurred by the Association. The Association shall have the power to bid on the property at foreclosure or other

legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. Upon the written request of any mortgagee, the Association shall report to said mortgagee the status of any Assessments relating to the mortgagee's mortgage and remaining unpaid for longer than thirty (30) days after due.

**ARTICLE 17
BOOKS AND RECORDS**

Maintenance

17.01 Complete and correct records of account and minutes of proceedings of Meetings of Members, Directors, and committees shall be kept in the possession of the secretary or at the registered office of the corporation. A record containing the names and addresses of all Members entitled to vote shall be kept at the registered office or principal place of business of the Association.

Inspection

17.02 The Declarations, the membership register, the books of account, and the minutes of proceedings shall be available for inspection and copying by any Member of the Association or any Director for any proper purpose at any reasonable time during normal business hours (exclusive of weekends and holidays).

ARTICLE 18

Amendment of Bylaws

18.01 These Bylaws may be amended, altered, or repealed at a regular or special meeting of the Members of the Association by the affirmative vote in person or by proxy of Members representing a majority of a quorum of the Association. Notwithstanding the above, the percentage of voting power necessary to amend a specific clause or provision shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.
