C H A P E L

2021

2020 is one of those years the world will never forget. The pandemic bringing about losses - loss of lives, loss of jobs, loss of business, loss of economy and many more. However, in the midst of this darkness, shines a great light; our God has continued to shine His light on us by showing us mercy at Grace Haven Chapel.

Through the year we have continued to hear of people's testimonies of God's interventions and His favour showed to them. We know that these experiences are not mere rights or privileges, but the demonstration of His promises towards us as a church. Many of us can attest to the fact that the Lord is either perfecting or in many instances, has perfected the things that concerns us. We are eternally grateful to Him for all the blessings in the midst of gross challenges.

Looking ahead to 2021, the Lord has declared it as our Year of Expansion. With such an impact that the pandemic had made in the lives of many people, it is therefore time for Grace Haven Chapel to look up, look out and reach out with

## OUR YEAR OF EXPANSION

*"For you shall expand to the right and to the left, And your descendants will inherit the nations, And make the desolate cities inhabited."*

*Isaiah 54:3*

God's unfailing love to those in despair and those who are desperate for interventions in their situations.

May we be empowered and equipped with grace and all the necessary resources to touch many lives for the Kingdom in 2021 in Jesus' name.
