

If you want plain noodles you can specify that as well.

Resident council announced that new flooring will be on island in 48 hours. Next week all carpeting will be taken out and replaced.

Flooring in dining room will consist of new carpet tiles, 16 X 16 squares. If it gets soiled, it will get replaced and has 16-year warranty. Flooring should be 20 years/stain resistant/easy to clean/seamless from floor to carpet, without need for a strip. Bare hallways with no carpet will be the first to get the new carpeting and flooring.

It was announced that the dining room carpeting will be cleaned today.

Hallway ceiling panels which were removed have yet to be replaced. Mauka has the same problem. Josh will silicone the drywall panels in place and hopefully that will work. The Wi fi company made the holes.

Pool heater and Electrical box were repaired at a cost of over \$2,000. Now the pump and some of the jets are not working. Jacuzzi is still drained and out of order.

We are waiting for the contractor to work on the walkway lights. Michael will have the white Christmas lights put back on the palm trees going up the main front driveways. Residents complained about how dark it was and safety concerns.

The Men's Shed can help with projects like fixing the wheels on our dining room chairs. They have \$1 million of liability insurance in place. Russ Boyer is the contact for Makai. The dining room clock battery has been replaced.

Michael asked how many residents have a Handicapped Parking placard. Only two people raised their hands. It is good for only 2
