BRUCE'S FIELD WEATHER FORECAST mostly sunny with a high of 68

Even though we are running two rings we recommend that each rider or a rider's representative is at the in-gate no later than 8am to sign up for the division they are going to enter. We cannot guarantee space in the division after 8am. Additionally, we understand that the immense response to ride in some of the divisions have forced us to close out riders even before the start of the class.

POLICIES AND REMINDERS

- All participants must check in at the Secretary's tent 30 minutes prior to the division that they will be riding, sign a release, provide proof of negative coggins for each horse on property, receive a back number, and leave an open check or credit card information
- All mounted guests must wear * protective headgear and a back number
- Paramedic has the authority to retire a rider
- \$25 a Trip,
- \$25 schooling fee per horse not showing

* Headgear for all riders must meet or exceed ASTM Standards; must carry the SEI tag; and be properly secured by a harness per USEF rules.

Dressage Schooling

All advanced Dressage Schooling Times must be reserved through our on-line system. Cutoff for advanced reservations will be 6am Tuesday morning. We suggest that you do book in advance so as to minimize your wait time On Schooling Day. The Dressage arena will be open at 9am. Please remember that even if you reserved your time online, you still need to come into the tent to provide your paperwork and receive a back number prior to your schooling time.

* Dressage schooling only will be permitted in the arena next to the Dressage ring.

We ask that you please respect each other's schooling times
