Carolina Underground Solutions Ranked 13th Fastest Growing Small Business in SC

Greenville, SC- October 1, 2019 **Carolina Underground Solutions, LLC**, a subsidiary of **Broadband Infrastructure, Inc.**, has been named the 13th fastest growing small company in South Carolina for 2019 by SC Biz News.

Twenty large companies and twenty small companies were named to the statewide list presented annually by [SC Biz News](#). This honor recognizes the state's fastest-growing companies based on both dollar and percentage increases in revenue from 2017-2018 (<https://columbiabusinessreport.com/news/human-resources/77172/>).

Qualifications included company size and having a footprint in South Carolina. A small company was considered as having \$10 million and under in revenue. Large companies were classified as having over \$10 million in revenue. Small companies must have had revenues of at least \$500,000 each year for the years 2016, 2017 and 2018.

Brad Cunningham, CEO of Broadband Infrastructure Inc, Carolina Underground Solutions' parent company, stated: "This is a great honor that belongs to the team at Carolina Underground for the hard work and commitment they put into the company each day. We appreciate SC Biz News for their ongoing support of Carolina based businesses."

Profiles of the winning companies will be published in the winter issue of [SCBIZ magazine](#). The winners were honored at an event on Sept. 26 at the DoubleTree by Hilton Columbia.
