Sculptware revolutionized event linens nearly three decades ago with the debut of the classic SculptChair spandex chair cover. This perfect combination of form, function and fun launched our ever-growing line of sleek, form-fitting linens and accessories. Through the years, our commitment to service, quality and innovation has earned us the honor of industry leader. If you are new to Sculptware, welcome. If you are a returning customer, thank you. We're excited to show you the ways our great products will help you "stretch the possibilities."

Ordering from Sculptware is as simple and worry-free as our form-fitting linens themselves. Visit us online today, mix and match chair and table colors and patterns in our virtual Design Center, get inspired, get a quote and find out why Sculptware has remained the preferred provider for the hospitality and food service industries since 1986.

Sculptware – often imitated, never duplicated.

Banquet Linens
