This is a relatively short downstream paddle of 3.5 miles, but if we can paddle upstream to the springs & back down, we can make a 4 hour trek out of it. This may be a busy weekend and parking may be difficult at KP Hole. I suggest we drop the kayaks & passengers off at KP Hole; drive the vehicles back to the outfitters; and take their shuttle back to launch. That way all cars will be at the take out and the restaurant is located there also.
