2022 Kids Summer Fun Camps

Join us for 4 days of fun for a Mixed Bag of Art making. Four artists will teach camp each day. KIFA KIDS Summer Fun Camp is bursting with creative activities centered on different art mediums, creativity building, STEAM, or cultural themes. Themes may repeat on the different weeks, yet each camp will never be exactly the same experience twice! Our artist instructors continually develop and add new projects to the rotation so there is always something to delight and engage newcomers and returning campers alike!
