June 2018

**GENERAL MEETING: Thursday June 14<sup>th</sup>**

**Red Rose Centre** -1233 Derry Rd. E.,

(N. side of Derry – Entrance W/B on Derry from Dixie)

**REFRESHMENTS @ 5:30 pm.....DINNER & MEETING @ 6:00 pm**

**Please join us on June 14<sup>th</sup> for yet another Double Feature!**

Scott Beckstein, Business Development Manager, will kick off proceedings by reviewing the mobile corrosion protection service that RustKote conveniently provides on-site, with their advanced rust protection applications. Their unique two product approach allows for a clean process that also protects electrical components & harnesses.

Dave Embury, Territory Manager, will then present on new transmission technology. Eaton has introduced the first dual-clutch transmission for Class 6 and 7 commercial trucks and school buses. The Precision 7-speed dual-clutch transmission boasts the latest in transmission technology that has resulted in more efficient and productive trucks and buses.

**Guests:** As usual bring along as your **guest**, any **Fleet Maintenance personnel** you think could benefit from the ATSSA experience and ask that you contact RustKote or Eaton or any ATSSA member in advance, for catering purposes, in this regard. Don't miss the chance to win exciting door prizes!

## GENERAL MEETING – May 10<sup>th</sup>

Traction Heavy Duty Truck Parts treated us to a very informative and nice evening and along the way occasioned & engineered a very nice turn-out, the second in a row. Well done traction!

Kurt Carlson-Technical Sales Support for Traction (GPC/UAP), quarterbacked proceedings. Kurt gave a brief overview, explaining how Traction, founded in 1963, is part of both GPC (39,000 employees/5 countries) & UAP; has over 100 stores coast to coast in Canada, over 1000 suppliers along with their own private brand – an impressive operation. Kurt then had three of his suppliers make presentations on their products:

**TSE-Rex**:- Brake chambers & rods & slacks. Alain Mineault, Canadian Sales Manager for TSE, reviewed with particular emphasis on their new brake chamber with quick change replaceable push rods.

**Cancore Industries**: Radiators & air coolers. Jay Halliday, Corporate Sales Manager for Cancore, reviewed with the focus primarily on the new HD Plus radiator program. And

**Global Emission Systems**: (The name says it all). Gary W. Jarosz, Vice President for Global, reviewed, explaining how they have partnered with Traction for a new HD Plus DPF Filter Program, designed & manufactured here in Canada.

Traction had each table appropriately set up & provided some attractive prizes for various draws, which went along well with the gift cards provided by the ATSSA. All-in-all a most satisfactory evening.

Thanks again to Kurt & company for a very nice evening.

Kurt can be reached at: 416-559-5752.

***Remember to favour those who support us!***

**50/50 Draw**: Won by Ed Roeder (our very own Vice President) who very gallantly turned back in his win, so enabling the ATSSA sponsored MAP apprenticeship scholarship fund to realize 100% of the draw proceeds!

**Participation is vital for the wellbeing of our ATSSA!**
