About the Island

Curacao_ is an island in the Leeward Antilles in the Caribbean Sea. Together with Aruba and Bonaire , it forms the group known as the ABC islands, located off the north coast of South America near the western part of Venezuela..

Curacao was part of the Netherlands Antilles until the country's island became a country.

Accommodations:

All rooms have pool, garden, or street views (Run of the house) and are comfortably furnished, to accommodate you, your family or friends. All rooms have a bathroom with shower, terrace or balcony, hair dryer, air conditioning, ceiling fan, refrigerator, safe, cable TV, direct dial telephone and free internet access. All electrical connections are 220 Volt/50 Hertz.

Resort is situated on Curaçao's longest white sandy beach. The private beach has plenty of comfortable deckchairs and chairs, and for our guests they are free to use. There is also a free beach towel service at the Front Office. The sandy beach is very suitable for children because the sea is quiet and shallow by the breakwaters. There are plenty of palm trees and beach huts, so there is always a shadow spot.

Taxes and Airport Transfers:

Carolina Dive Center has no control over taxes and the cost of airport transfers. Taxes are subject to change.
