A SPECIAL THANK YOU!

For 23 years, Bonnie Dicus has made the Central Arizona Saluki Association (CASA) Specialties a successful and well-attended event.

Bonnie's commitment to the club's success has been through the service of President, Secretary, and Show Chairman. She has been integral in serving as the chauffeur and tour guide for various judges who have come to judge CASA specialties, showing them Arizona hospitality and the beauty of the State. She has also unselfishly served as the provider for many event breakfasts and lunches, always bringing tasty dishes that people enjoy.

Bonnie's organization and dedication to CASA are appreciated by the club members and the exhibitors who attend the specialties. She supports the club through her service and her entries of her Salukis to the specialties, and her enthusiasm and dedication are contagious.

Thank you, Bonnie!!!

Meet our Judges

Terri Fortner-Jackson
Hidasar Salukis

Seems like yesterday that my 50 years with Salukis happened in 2021. I was showing in Junior Handling with my best friend Ra in 1971. (Am Can CH Desert Raider of Arabesque) Little did I know the long lasting impact he, Hida (Am CH Sedeki Hidasar CD), Nellie (CH Mabidas Beloved) and Harri (Harrir Bahhar of Temrock) would have on my life. 10 generations removed, I still see bits of them in my current Salukis, especially the parti party girls, DG and Esme, who take me back to the Warm Valley looks.

I have now been judging Salukis since 1989, am a member of the Saluki Club of America and Galveston Bay Saluki Club. I have judged Salukis in America from East Coast to West Coast. I look for a functional, conditioned, typical of the breed Saluki, that looks like it could leave the ring and put dinner on the table.

I thank you all for the invitation to judge your specialty show!

Capt. Michelle Hathorn

Dogs have always been a part of my family. I obtained an early understanding and appreciation for the importance of good fronts, structure, balance, functional soundness, and a dog possessing the traits necessary to successfully accomplish the tasks for which it was bred and the breed that it is early on while hunting behind a variety of gundog breeds with my father as a child and observing working stock dogs and terriers doing what they were bred to do while growing up. I attended my first dog show in 1975 and began participating in Junior Showmanship, obedience, and conformation in the late 70s and 80's with my sister's Dobermans and Grandparent's Toy Poodle. In 1983, I received permit status with AKC as an All Breed Junior Showmanship Judge.

In 1992, I acquired my first Saluki, Casey (Int. Am. CH Stonehenge Showcase JC, CGC), from Sydney Welch (Sedgefield) while stationed at Ft. Campbell, Kentucky, serving as an Army Judge Advocate General. Casey and I went everywhere and did everything together. We participated in conformation, obedience, agility, and coursing in the US and Europe; and in the Army, we attended Organizational day events and the 101st Division run. Casey also sat in a Magistrate's pretrial confinement hearing as a comfort dog, calming a scared Soldier enabling him to find his voice and testify. Since then, I have had a number of Salukis, titling many in conformation and or coursing in the US, Canada, and Europe. I have assisted in rescuing Salukis in need and provided a permanent home for a few. I have bred 2 litters under the Sanhurst prefix. Both litters produced multiple champions and performance titled dogs with my last litter producing multiple Specialty and Group placement winners, the 2022 SCOA National Dual Titled Sweepstakes winner; 2021 Morris & Essex Best of Breed winner; 2020 Eastern Regional Specialty winner; multiple National AOMs, and 2016 National Best Puppy, and Reserve WB.

Debbie Ann Heckerath

Debbie started in Saluki's when she was gifted her first Saluki in the year 2010 by Wendy and Brian Duggan. She started showing her heart dog and took 1 1/2 years to finish him with zero experience in the ring and dog show world.

She is now a breeder-owner-handler with multiple champions from her breeding program. Debbie is currently owned by 3 Salukis, all Champions.

D. Scott Pfeil

I have been involved in the sport of purebred dogs since I was 14 years old (over 30 years). I started with Bernese Mountain Dogs and Newfoundlands. My love of Hounds started at age 16 when I went to a dog show and watched Hound judging. I will never forget that day. The Hound breeds took my breath away and I knew I had to have one. I have been showing and breeding Afghan Hounds under the Wynsyrr prefix since 1992. We have bred, owned, and handled well over 100 champions, including 6 Best in Show winners, 10 Specialty Best in Show winners, and countless group winners. We have been breeding salukis since 2012 with great success, and more recently have been involved in Greyhounds. I have been honored to have bred and owned the #1 Afghan in the US in 2008, and the #1 Bitch in 2009. In 2023 our Chilean import, MBIS GCHG Zaida Bint Muti Von Haussman was the #1 Hound and #2 Dog of All breeds. 2015 was a wonderful year for our Salukis and we were the top breeders that year, being recognized with the ASA William Eltiste Breeders Shield. In 2016 I showed the top winning Saluki in breed competition, MBIS MBISS GCHS Baghdad A MissDemeanor and was awarded the ASA Hounds of Rojin Handlers Trophy. Our dogs have won over 80 AKC All-Breed Bests in Show. We have been fortunate to collaborate with many top breeders around the world, including multiple kennels in Australia, Sweden, Canada, and the United States. These collaborations have allowed Wynsyrr to develop the world-renowned pedigrees we are known for today.

I started judging in 2004. Since that time, I have had the pleasure of judging many prestigious shows around the world. Highlights include the AHCA National Specialty, Sighthound Shows in Australia, Germany, and Japan and the AKC Royal Canin National Championship. I currently judge the Hound group and am working on both the Working and Toy groups.

I am co-owner and president of the International Kennel Club of Chicago, President of the Afghan Hound Club of America, and serve on the boards of the Chicagoland Hound Association, Afghan Hound Club of Greater Chicago, and Northeastern Illinois Kennel Club. I am also a member of the Saluki Club of America, American Saluki Association, and Greyhound Club of America.

Thank you to the Saluki League of Southern Arizona for the opportunity to judge this specialty, and to the exhibitors who have honored me with your entries.

Good luck to All!

Lois-Ann Snyder

As this is a dog-related biography I'll make that the focus. My childhood pet was a standard poodle. He was a well-bred poodle from a show kennel and made a permanent impression that this was where to go to buy a great dog. My first show dogs were Great Danes and I co-bred five litters of Danes including group and specialty winners with Ray Cataldi and Steve Cochran of Rojon Great Danes. Mimi Carlyle gave Ray and Steve a Cancer (CH Canem-Dei El Salta 'Aun) daughter who they subsequently bred to CH Jen Araby Jurwadi Bey. A bitch from that litter was my first Saluki in 1979 and eight generations later my hounds go back to that original breeding. I continue to cross those two lines emphasizing the Jen Araby side of the pedigree. I have bred approximately fifty Saluki champions as well as half dozen lure coursing champions, four open field coursing champions and obedience and Rally title holders. I have also owned and/or bred Whippets, Beagles, English Foxhounds, and a Galgo Español.

When judging the Saluki my goal is to reward the well-muscled, moderate and powerful hunting hound described in the standard. I look for a distinct outline that defines the breed. Because a Saluki should be recognizable at a hundred yards by his long-crested neck, length of leg, underline, arch over the loin, well let-down hocks and a distinct light, lifting movement that also defines the breed these are what I look for when judging.

A few dogs from the past that I much admired include CH Sundown Alabaster Treasure, CH Baghdad Globetrotter, CH Samoens Sodom, CH Gemini Phaeton Jane Eyre and CH Chubasco Boomslang. There are many others but these dogs were prominent enough that photos should be easily accessible.

I have judged Salukis at matches and sweepstakes for the last fifteen years and have been licensed by the AKC for eight years.

Lisa Young

Lisa Young has been a Hound person her whole life, growing up with Dachshunds. She started showing Dachshunds in 1991 and has since shown many breeds. She now owns Beagles and a French Bulldog. She has shown a number of Sight Hounds and is currently approved to judge the majority of the Hound group.

REMEMBERING KEN CONTER

One of CASA's founding members, (along with being a founding member of Arizona Gazehound Assoc. and the Desert Saluki Coursing Assoc.), Ken Conter, passed this summer, August 2, 2023. He got his first Saluki from Dale Wright in 1973.

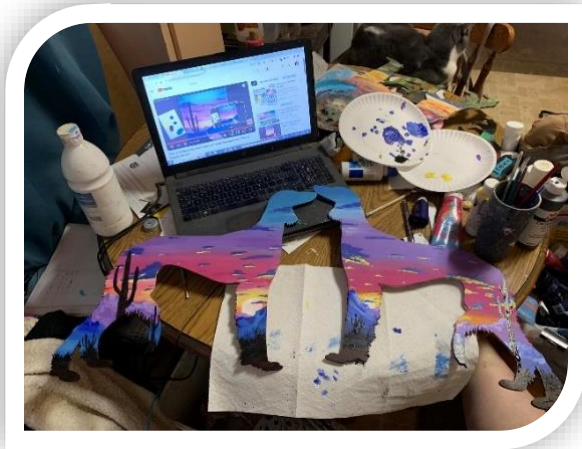

He started open field coursing as that was the only type available then. However, he also traveled to California where they were using hand cranked lure machines and then machines using old Ford starter motors and car batteries. Ken soon built one for Arizona, the first ASFA club to hold lure coursing outside of California. He not only created the rigs, but also made the pullies, walked hundreds of miles setting up the courses, fixing pullies, taking up the lines, and storing and setting up the equipment. Ken helped fund our matches and shows by holding lure course events.

Over the years Ken had a number of Salukis, with several finishing their field and confirmation championships, including his smooths, the first champion smooths in Arizona.

You might have also seen him at our Specialties assisting his sister, Cindy, in setting up her booth. But, Ken outdid himself as a judge for our fun matches, combining his humor and theatrics to make those FUN and memorable.

About our Monday Sweepstakes Trophies
Hand Painted Saluki Art by Renee McCartin
Donated by Kelly Mattiuz, Porrima Salukis

Renee McCartin is a Borzoi breeder - Mielikki's Hunt Borzoi. These art pieces are a hobby of hers. She custom paints these, including memorial pieces in her spare time. Kelly & Renee met through Facebook.

Here's what Renee says about her art:

"This is the biggest order I have ever had and it's overwhelming. I started this as something to do during Covid to combat stress and depression, and now just use it for offsetting some doggy bills now and then. With the economy the way it is I am so thankful for your order. I love hearing how much people love the artwork that I hate."

This was a daunting project, but we all appreciate winning a very special Saluki trophy!
