

Fourteenth Sunday After Trinity

September 22, 2019

Luke 17:19 – “And he said to him, ‘Rise, and go your way; your faith has made you well.’” Of the 10 lepers who had been cleansed, only one returned to give thanks to Jesus. Why? Surely the rest were indeed thankful to be freed from such a terrible disease. But only the Samaritan leper had faith, and his faith turned into action, as all true faith does. Our generosity to God’s work in the Church is likewise our faith in action.

THE LUTHERAN HOUR is sponsored this morning by Gene & Marlene Lampe in thanksgiving for their 46th anniversary. Thank you.

Lutherans for Life Presentation

Vicar was able to attend the Lutherans For Life Regional Conference in Rochester, MN on September 14. He will be presenting on what he learned at the conference as well as some general life issues during adult bible study following service on **Sunday, September 29**. Vicar's Sunday School class will attend the presentation. All are welcome to come and hear this timely and important talk. Topics such as abortion, physician assisted suicide, and gnosticism will be spoken about with Scripture guiding our discussion.

Building Healthy Families: One tiny little embryo can change your life in a BIG way! Over 600,000 are frozen in time and thousands of these are available for adoption right now if only parents could be found to adopt, carry, birth and baptize them into God’s family. How does it work? In vitro fertilization often results in embryos remaining after a pregnancy. One option available to the parents of these extra embryos (little boys and girls) is to donate them to another couple through embryo adoption. The adopting family uses the donated embryos to achieve a pregnancy and give birth to their adopted child. If you are a Christian couple experiencing infertility or simply desiring to add to your family through adoption and would consider exploring the option of adopting a baby in frozen embryo stage, LFS can help! Contact Kim Laube, LFS’ Director of Life Ministry today at klaube@lutheranfamilyservice.org for more information. If you know of a couple who might be interested in learning more, please share this information with them today! **Lutheran Family Service 515-573-3138** lutheranfamilyservice.org

“Let us stand firm for the rights of all people, especially for the most vulnerable, defenseless of them all, the unborn children ... The Church has confessed from the beginning that each life is created by God, that human life is the supreme gift

of the Creator. Human life is not given unconditionally but is given under the condition that we will be responsible for preserving it.” *Abbot Tryphon, Vashon Island, Washington – A Life Quote from Lutherans For Life • www.lutheransforlife.org*

Jesus’ merciful words and ways work life and healing (Proverbs 4:20-22). He brings forth brilliant and abundant fruit (Galatians 5:22-23) even from flesh like ours (Galatians 5:19-21) that was born broken. We who take these words to heart—and the hearts we touch with them—will live indeed. *Gracious Savior, bring life to us and bring life through us. Amen.*
