

Taking Time To CARE

Making It Your Mission To CARE

As the holidays draw near, you think more and more about family, friends and loved ones. You also think about those that are spending the holidays alone. Taking the time to CARE is one of the missions for LAFF Entertainment. With our CARE2LAFF Foundation, we are determined to seek out ways in order to Give the Gift of Laughter. Comedian, Tony Roney, was recently afforded the opportunity to share his time and gift with the Detroit Rescue Mission.
