Hello, If you want the truth and you want it in plain english, Mikes the best. He helped cut through the mush, and pushed to get it closed. Sold for more than the asking price. Thanks to Victoria and his Staff for all their work and coming out to my location. Very easy and fast!

Thanks again, James L. Rhodes

Michael Noel Anderson has been selling homes in this area for years. He can spot a prospective buyer who is a good "fit" for the home and use his knowledge to make them see all the benefits of living there. He has a lot of energy and enthusiasm about selling a home and this is felt by the seller and the buyer. I could call him at any time with questions or concerns and know that he would get back with me quickly.

Michael is a fantastic broker. He's understanding, attentive and patient but that is not why I would recommend him to be your broker. I would recommend him because he's a good person, trustworthy and tells it like it is.

I don't often find reason to write a recommendation for someone but cannot recommend Michael enough. This purchase was my first house and he walked me through all the steps, told me what to look out for and everyone he recommended came through with flying colors.

The process is daunting, there's a lot to learn in a short amount of time but it was made much easier by the ease of Michael's tutelage.

Thanks Mike -

Couldn't have asked for a better agent. My property deal definitely wouldn't have gone through without Michael's help and professionalism.
