**Quotes:**

“It is my great pleasure to work with her and recommend her for the scholarship program. I believe her academic excellence, creativity, outstanding cooperation skills, and leadership would lead her to whatever goal she pursues and bright scientific life.” **Ruoyi Yin** - Mentor-Undergraduate Laboratory at UCB

“I would like to sincerely express my gratitude for your generosity and kindness. I would not be able to continue my educational journey without your assistance....For all those who run the foundation and tirelessly manage all the details to ensure its fluidity, and to all those who considered each and every application, thank you. Thank you for reading my application and seeing potential in me.” **Mirelys**
